A TRIP TO RAYONG

Rayong — a peaceful province of wonderful islands and blue sea in the Gulf of Thailand — is located about 220 kilometres southeast of Bangkok via Highway 3 or about 185 kilometres on new Highway 36, each route offering different scenic views of the Thai countryside.

En route to Rayong by Highway 3, holiday-makers have the opportunity to visit a number of different tourist attractions in Chonburi Province where Thailand's Eastern Seaboard is located.

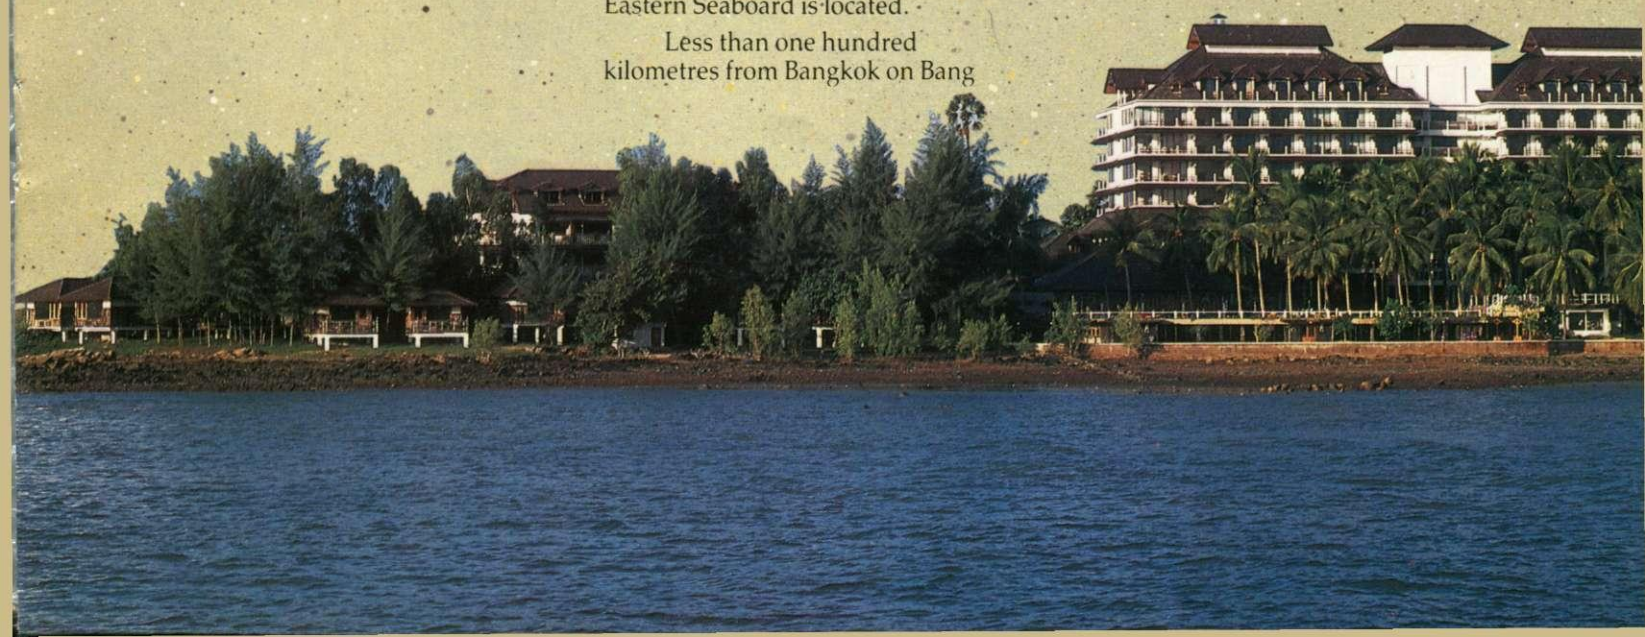

Less than one hundred kilometres from Bangkok on Bang

Na-Trat Highway, Chonburi is famous not only for its seaside retreats — Bang Saen, Sri Racha, Pattaya, and Jomthien — but also its attractions which can be seen in one day: Scientific Marine Center of Srinakharinwirot University, Bang Saen campus; Nong Mon market; Bangphra and Phu Ta Luang Golf Courses; Khao Kheo Open Zoo, the Elephant Kraal and Suan Nong Nooch recreational park.

By following Highway 36, which branches off Highway 3 before it reaches Pattaya, holiday-makers can enjoy many picturesque views along the hilly roadway. Fruit orchards, mountains and places of interest including Siam Country Club and Prince Bira Racing Circuit are among the many attractions that can be seen on the way to Rayong.

Rayong is the hometown of the greatest poet of the Rattanakosin Era — Sunthorn Phu — who was praised by UNESCO as the world's most eminent classical poet. The province boasts myriad attractions, including historical sites, abundant marine life, unspoilt beaches, secluded islands and serene waterfalls and mountains, all of which lure thousands of visitors from all over the world to visit them again and again.

Major attractions in Rayong are such secluded islands as Had Sai Thong (golden beach), Saket island, Samet island, and Mun islets; Ban Kon Aw; Sobha Botanical Garden; the Statue of Sunthorn Phu; Khao Chamao National Park; Ban Phe fishing village and Suan Son (casuarina garden).

Rayong Resort

your private sun-sea-sand hideaway

Of all Rayong's many seaside retreats, Rayong Resort — located close to a peaceful fishing village in Ban Phe — possesses the seclusion, tranquility and subtle natural beauty rarely found along the Rayong shoreline.

Travelling by car, it is a three-and-one-half-hour trip to cover the 200 kms from Bangkok to Ban Phe — located about 15 kms outside the city of Rayong. From Pattaya, it is just an hour's drive.

There are two routes to the Resort: Holiday-makers can either take the beach-front road, running parallel with Mae Ramphung Beach about 12 kms from the Resort entrance or — entering from Ban Phe — take a short 4-km drive to Rayong Resort.

A holiday beyond fantasy

Once at Rayong Resort, holiday-makers cannot help but marvel at the awesome setting, for the Resort is situated in the embrace of the mountain and the sea — a happy escape from the pollution of the city.

Nestled in the heart of Khao Leamya-Samet Island National Park, Rayong Resort crowns Tan Cape, offering breathtaking vistas of the nature surrounding it: Khao Laemya Mountain's rich vegetation, everchanging scenes of

coconut-fringed beach, a well-formed rocky shore and — offshore — Samet Island.

Whether the visitor's goal is to have a great time sporting in the sun, getting suntanned to perfection or indulging in a taste for adventure, Rayong Resort provides guests with the ultimate in everything.

To preserve the local environment, Rayong Resort incorporates the existing palm trees into the Resort's design. Rustic furniture, windows and lanterns like an ancient warship and giant pastel-tinted woodcarvings of sea animals — fish, dolphins and seahorses — provide guests a distinctive seaside atmosphere.

Luxurious accommodations

A perfect hideaway for holiday-makers seeking quiet moments with their families and friends, Rayong Resort provides top-class service, deluxe facilities and amenities of a first-class hotel.

The vast 40-acre Resort features three types of accommodations: Beach Rooms, Cape Wing and Main Wing, to meet particular requirements of holiday-makers.

Each room has a private balcony offering its own distinctive angle of view and each features individually-controlled airconditioning, telephone, colour TV, in-house movies, piped-in music, refrigerator with mini-bar and snacks, hot and cold water, shower and bathtub, toiletry articles and hair dryer.

Beach Rooms

Located on the beach front are a total of 10 Beach Rooms — eight Standard Rooms in two complex units and two Junior Suites in two single units — recommended for families or groups.

Cape Wing

A four-storey resort located at the tip of Tan Cape, Cape Wing's 36 rooms — 31 Standard Rooms, three Suites and two Junior Suites — offer pleasing views of the sea and long stretches of fresh greenery along Tan Cape.

Main Wing

The Main Wing, Rayong Resort's newest and largest building, houses the main facilities, including food and

beverage outlets on the ground and mezzanine levels in addition to housing the Resort's offices.

Also located on the mezzanine floor is a Shell Museum — the private collection of Urai-Sawasi — exhibiting a profusion of rare and beautiful seashells.

A total of 124 rooms offering spectacular views of the sea and Samet Island — 111 Superior Rooms, four Suites, six Junior Suites and one Presidential Suite — are located on the third to seventh floors.

Extensive facilities

Guests staying at Rayong Resort are in for a long list of activities complementing the full range of facilities which are readily available to make their holidays the most memorable ever.

At daybreak, guests can jog along the jogging trail inside the Resort's spacious compound. Experienced joggers can try the nearby mountain road to explore the surrounding area.

Sunbathers can fill their days on the beach basking under the sun and listening to the hypnotic sound of the waves.

Swimmers can enjoy themselves in the Resort's well-designed pool, separated from the sea by a low brick wall. Swimming in the sea is completely safe, for lifeguards are on duty.

Water sports enthusiasts can try their skills at many kinds of water sports activities — windsurfing, snorkelling, sailing, catamaraning, water skiing, scuba diving and fishing. Other kinds of indoor and outdoor sports available at the Resort include tennis, table tennis, darts and petanque.

Those who prefer indoor exercise will enjoy working out at the Resort's health club, followed by relaxation in the club's sauna.

Although there are no golf facilities at the Resort, golfers are not neglected. Rayong Resort provides transportation to nearby international-standard golf courses such as Siam Country Club and Phuta Luang golf courses.

Other facilities available at the Resort include convenient store and gift shop, beauty salon and mailing service. Baby sitting is also provided.

Delicious cuisines

Guests easily will find good wining and dining places, for Rayong Resort has a variety of cuisines available at several conveniently-located restaurants. However, room service is always available.

The Captain's Table, located on the ground floor of the Main Wing, serves delicious breakfast, aromatic coffee, mouthwatering cakes and fresh fruits in season, as well as international, Thai and Chinese cuisines on the open-air terrace or in a cozy dining room overlooking the sea. The restaurant opens from 6 am to 1 am.

An elegantly decorated restaurant situated close to the swimming pool and the sea, Kalasea Kitchen (open 7 am to 10 pm) prepares

delicious seafood and also specialises in international, Thai and Chinese cuisines. It also serves cool refreshing drinks to swimmers.

During the day, the Resort's beach bar — the Water Front — serves refreshing cool drinks to swimmers right on the beach front.

Coffee lovers will fancy the Resort's Coffee Corner where they can order the freshly-brewed international coffee of their choice — Mocca, Brazil Santos, French Blend, American Blend, German Blend, Espresso, Columbia Supremo, Royal Special and Blue Mountain.

Nightlife galore

Nightlife is delightful at Rayong Resort, for there are many kinds of nighttime activities specially tailored

to suit particular interests.

To begin the evening, guests can relish delightful drinks or cocktails at the Resort's Lobby Lounge. Happy Hour runs from 5-7 pm on Fridays and Saturdays.

A good place for an intimate evening is the Piano Bar on the ground floor of the Main Wing, which provides romantic piano music and good drinks.

Those who fancy grilled seafood will find superb dining at the Resort's Grill Room, located on the mezzanine floor.

The Galley Pub and discotheque, located beneath the swimming pool and tastefully decorated with antique seafaring gear, offers an action-packed venue where guests can enjoy drinking and dancing from 8 pm until 1 am.

Private seminar and conference facility

Just a short stroll from the Main Wing is the Conference Hall — a 2.5-storey building housing three small-to-large seminar/conference rooms.

Established to provide businessmen and academicians with exclusive seminar and conference facilities, Rayong Resort provides a full range of audio-visual equipment and experienced staff to ensure productive meetings at all times.

Trips to nearby islands and tourist attraction spots

To ensure guests the most enjoyable and memorable stay possible, Rayong Resort offers excursions by boat and by bus — for small and large groups — to nearby islands and provinces.

Contact the Resort's Activities Desk for advance bookings. Food and drinks can be arranged on request at very attractive prices.

To Samet Island

A charming island on the Gulf of Siam, Samet Island boasts several beautiful beaches of glittering white powdery sand, crystal clear water, unspoilt coral reef and an awesome undersea world. Located about 6.5 kms from Ban Phe, this wonderful island can be reached by daily public boat services all day.

For small groups — 8 to 12 people — Rayong Resort provides exclusive boat trips to Samet Island by

speed boats which leave the Resort's private jetty three times daily — 9 am, 11 am and 1 pm.

For larger groups, the Resort's bus will take guests to Ban Phe, where they can easily take larger boats to the island.

To Pattaya

Pattaya is well-known worldwide for its exuberant nightlife. Rayong Resort regularly provides shopping and night tours of Pattaya.

To Chantaburi

About 1.5 hours' drive from Rayong Resort is Chantaburi, a province blessed with rich natural resources and tropical fruits. It is well worth visiting.

Guests can easily arrange bus trips to Chantaburi to observe the gem-cutting craftsmanship of Thai artisans - a thriving business in this province.
